

Letter to the Editor

On Tuesday night, Aug 7th, Commerce Police Department hosted National Nite Out in Commerce City Park. This annual event is the gathering of Law Enforcement and the Community to have fellowship and discuss neighborhood concerns.

Commerce Police Officers were on hand for Kid Print ID cards, Bike Safety and Registration, and Display of Mobile Command Center and Police Vehicles.

Commerce Firemen displayed Fire Trucks, provided a landing zone for Life Star 3 Helicopter, and entertained the citizens with the antics of the Commerce Fire Department Clowns.

Life Star 3 helicopter landed and was on display for just a short while and was called away on an emergency, but the AMR ambulance crew remained and displayed the ambulance.

First Responders of Commerce Emergency Corps were on hand and displayed the Rescue Truck and Van.

Commerce Animal Control was available with some very cute puppies that were just a sample of pets available for adoption.

Texas DPS Trooper was on hand with handouts along with Officers from the Texas Parks and Wildlife Department and the Texas Forestry Service.

The Crisis Center of Northeast Texas had a booth set up, as did Commerce Parks Project, and Mothers Against Drunk Driving.

Again this year Commerce Lions International provided excellent food preparation and refreshment service for everyone. This years refreshments were provided by the generosity of Wal-Mart, McDonalds, Sonic, and Pizza Hut.

I am very proud to be a small part of this great group providing emergency service to the Commerce citizens. I wish to humbly thank each and every one who participated and assisted in providing another great National Nite Out for our citizens.

Bobby L. George
Community Resource Officer
Commerce Police Department
